

## Meet your teacher

Your teacher next year will be Mr Sutton

Dear Year 6,

I am super excited to be teaching you in my first year at St. Peter's. I know that it is going to be a fantastic year full of lots of hard work and some fun along the way. There are so many things to look forward to and I just can't wait to get started.

Year 6 is such an important year in your primary school journey and it will be a pleasure to be a part of that. It might be tough at times, but together we've got this!

In my spare time, I like watching movies. My favourite movies are Marvel and Disney films as they're always full of magic. I also enjoy playing video games and board games.

When I'm not watching sport, I enjoy going on long walks and exploring new places with my fiancé. We like to visit castles and imagine what it would be like to live in them. I also love spending time with my family. I have two brothers and one sister.

My favourite type of food is Italian, but I can't decide whether I like pasta or pizza the most. I am also a big fan of milkshakes, but sometimes I drink them too quick and get brain freeze.

I love watching and playing all sports, particularly football. I spend lots of my weekends watching Manchester United play and my favourite player is Marcus Rashford because he always saves the day when we need to score a goal.
