

Meet your teacher

Your teacher next year will be Mrs. Tallent-Wells

Dear Year 3,

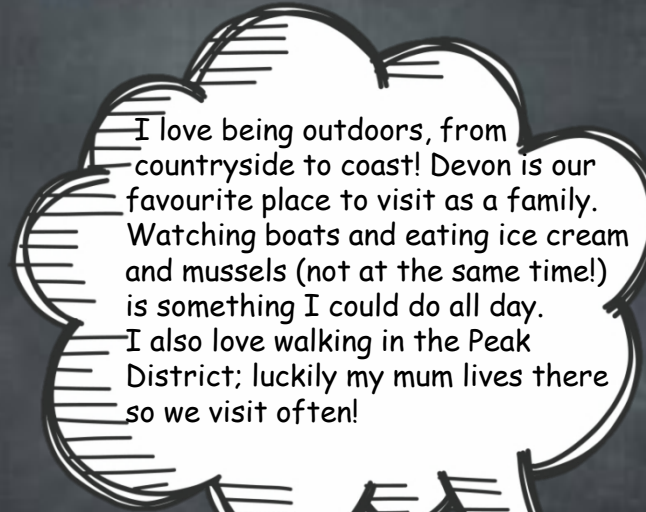

I am so excited to be one of your teachers next year.

I have already heard such wonderful things about you and can't wait to get to know you all properly in September.

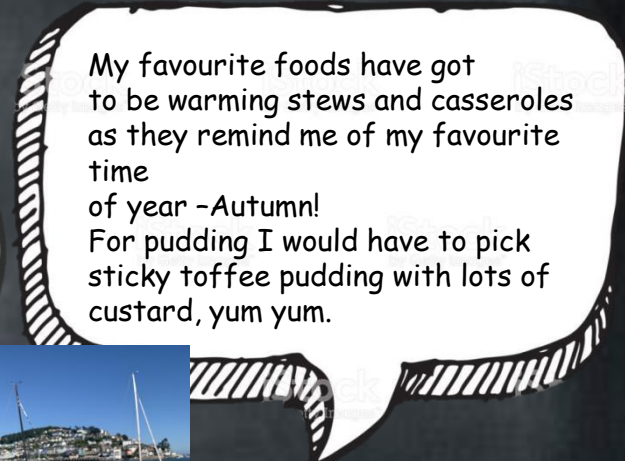

In Year 3 you will be learning about some fantastic topics which I can't wait to explore with you!

As well as me being there to help you, I'm relying on you to help me with certain things as I'm new to St. Peter's, but I know that together we will make a fantastic team!

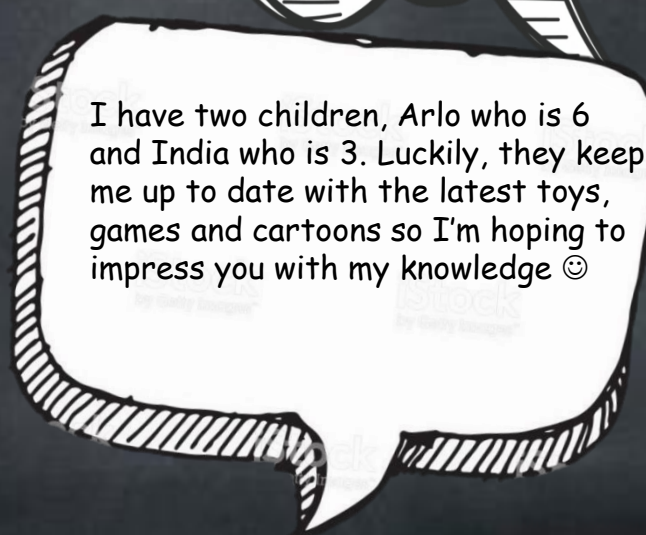

I look forward to meeting you all.
Mrs Tallent- Wells

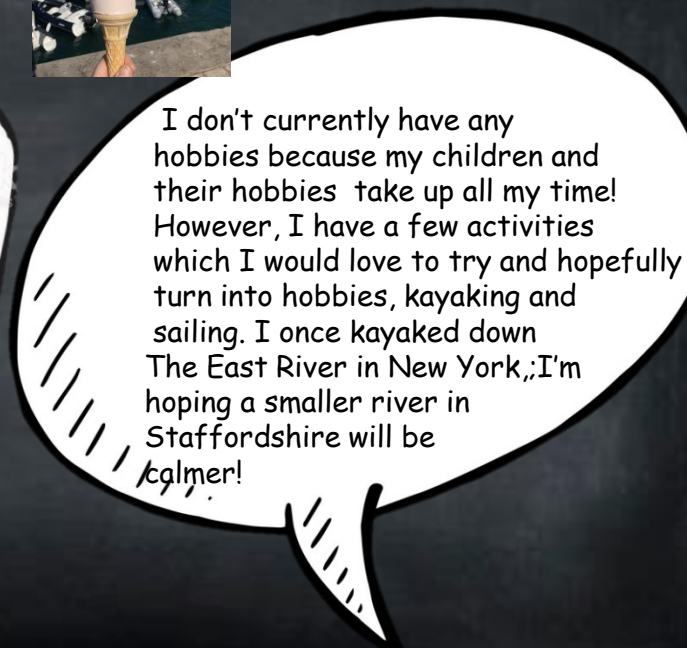

I love being outdoors, from countryside to coast! Devon is our favourite place to visit as a family. Watching boats and eating ice cream and mussels (not at the same time!) is something I could do all day. I also love walking in the Peak District; luckily my mum lives there so we visit often!

My favourite foods have got to be warming stews and casseroles as they remind me of my favourite time of year -Autumn! For pudding I would have to pick sticky toffee pudding with lots of custard, yum yum.

I have two children, Arlo who is 6 and India who is 3. Luckily, they keep me up to date with the latest toys, games and cartoons so I'm hoping to impress you with my knowledge 😊

I don't currently have any hobbies because my children and their hobbies take up all my time! However, I have a few activities which I would love to try and hopefully turn into hobbies, kayaking and sailing. I once kayaked down The East River in New York, I'm hoping a smaller river in Staffordshire will be calmer!
