

## Meet your teacher

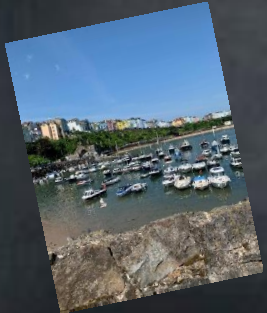

Your teacher next year will be Mrs Walsh

Dear Year 4,

I am extremely excited to be moving up with you to Year 4 in September. I can't wait to get to know you all a little better and watch you grow as learners.

In Year 4, there are lots of fun things to look forward to with really exciting topics for you to explore. There will be plenty of opportunities for you to learn new skills too!

We have got an amazing year ahead of us and I can't wait to start our Year 4 journey together alongside Mrs Cresswell and Miss Smith. Let's Reach for the sky!

Family is very important to me. I have a son called Jac who is now 17 years old. Most of my family live in Wales and Ireland. I have two brothers and two sisters. I love spending time with them.

My happy place is definitely Wales. I love visiting home but I have lots of other places in Wales that I enjoy visiting too such as Tenby. It brings back lots of childhood memories.

My hobbies include reading, running and baking. Also, I enjoy taking my dog 'Rocky' for long walks. We particularly like walking on Cannock Chase.

My favourite meal is fish and chips with a little bit of curry sauce! We sometimes have this on a Saturday night as a special treat.
